Grow Veterinary Center of Parker

Veterinary Center of Parker, Inc. (VCPI) was founded in 2016 with a mission to provide their Parker clients with care, comfort, and concern. The team at VCPI believes in treating every patient as if they were their own, giving them the same loving attention and care they would receive from their loved ones. VCPI is a full-service clinic, offering a variety of services such as vaccines, dental care, surgery, diagnostics, nutrition consults, and more.

VCPI celebrates nine years of membership in the Parker Chamber this year, joining immediately at its founding and maintaining an engaged relationship with the local business and residential community. When you visit their beautiful new facility (opened in 2024), you'll see that everyone from the vets, to the techs, to the front desk staff is dedicated to helping your pets experience long-term wellness and a better quality of life.

To make preventative care more convenient, VCPI offers a range of year-long

wellness packages designed for different life stages that will take your pet from puppy or kitten, all the way to their senior years.

When you visit VCPI with your furry family member, you will experience the best care in the most comfortable setting. They do not have exam tables in their rooms. The doctors and technicians get down on the ground so pets feel more comfortable. Both owner and pet are guaranteed a caring, positive experience. Pets are their passion, and keeping them healthy is the Veterinary Center of Parker's number one priority!

When your pet needs in-home care

For many pet owners, the worst part about a visit to the vet is actually getting your fur baby in the car and through the waiting area.

The Mobile Pawlyclinic makes everything from routine immunizations to end-of-life care much less stressful with their team of mobile in-home vets and technicians. While you still have to go to a pet hospital for surgical procedures, many of your routine veterinary needs can be handled in the comfort and familiarity of your pet's home. Dr. Afifah Rahim-Leong has recruited a terrific team, and they are a great resource for those needing the convenience of vet services that come to you.

When your pet needs urgent care

Sometimes, you need a vet late in the evening, on a holiday, or without an appointment. That's where UrgentVet becomes a true godsend. With rates at least 40% lower than emergency vets, **UrgentVet** can be there for your best friend when your regular vet cannot. They're open 365 days a year, and you can book a time conveniently on the front page of their website, usually for a visit within an hour or two.

Play Parker Days Festival

Photos by Evan Semon

Parker Days is the one weekend a year that all families look forward to. The three day festival started in 1970 and has continuously grown ever since. Starting out as a way for families to connect with one another, Parker Days has turned into a summer-in-Parker staple.

During the second weekend in June, thousands travel to Parker from all across Colorado to enjoy the rides, live music, carnival games, funnel cake, street vendors, and time with friends and family.

The best thing about Parker Days is that there is something for everyone. At Parker Days you may find the one-of-a-kind art piece you have been searching for, or maybe you'll spend the night dancing to the infamous 80s cover band. Either way, there is something fun for everyone to enjoy at the festival.

At Parker Days, there are multiple different stages filled with live music from phenomenal cover bands. While you're waiting for your kids to finish up their carnival games, take a stroll and check out

the 200 Marketplace artists and vendors offering a wide variety of goods.

What's something everyone looks forward to at a festival? The food! There is a variety of food trucks located at the festival with everything from funnel cakes to lobster rolls and crepes. The beer garden is a popular place to sit with friends and drink a cold glass of beer or wine on a hot summer day. Additionally, there are lots of activities for kids and families, including street performers, games, and all the typical carnival attractions.

Unlimited ride wristbands and tickets can be purchased online or on-site of the carnival. We hope to see you there.

Play Wine Walks

Downtown Parker Wine Walks are one of our most treasured summer traditions. Five times each summer – on “final Fridays” May through September – about 1,000 residents and visitors converge on Downtown Parker for a beautiful summer evening event. After a quick visit to the Chamber to check-in, pick up a wristband, and grab a glass, participants head to Mainstreet to visit approximately 20 downtown pouring merchants.

Not only are Wine Walks a wonderful community tradition, they are a key economic driver for Parker’s downtown business owners. Wine Walk is a great way to shop and explore new stores. After Wine Walk, enjoy dinner at one of

Wine Walks

Presented by:

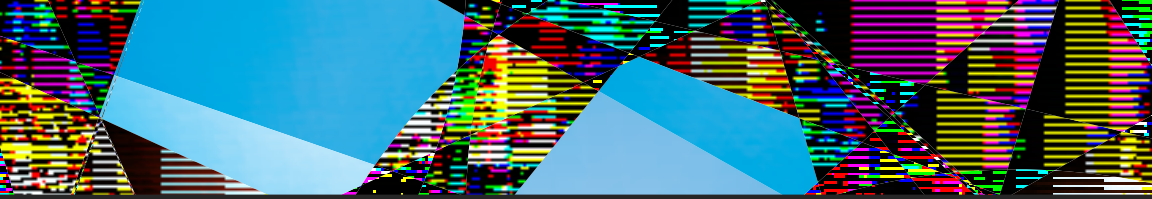

our many excellent downtown restaurants. It’s a great way to end the week, support the chamber, drive success to downtown businesses, and have a great time with friends and family.

Cultivating Wholeness

As a whole-family mental health practice, Southeast Counseling Center provides psychological assessment and therapy services to groups, families, couples, and individuals of all ages and backgrounds. As a 501(c)3 non-profit organization, their mission is to support mental and relational health by providing high quality therapeutic services while removing barriers to accessing needed care.

Southeast's services in northern Parker are provided in cozy, customized office spaces for various types of treatment. Whether it's a play therapy office with toy-lined walls, a family counseling room with seating for both parents and children, or something more conventional, the staff at Southeast Counseling Center believes in creating

the right spaces with the right professionals for the best outcomes. Their team of more than 20 therapists provides professional services daily for needs as various as family relationship problems, childhood disorders, trauma, addiction, depression, anxiety, and more.

Southeast Counseling Center is a member of the Parker Chamber and their leadership believes that a mentally healthy society requires whole-community collaboration. That is why, while they provide evidence-based clinical services, they also partner daily with houses of worship, schools, medical facilities, nonprofits, governments, and businesses so that all may have access to effective care for the benefit of themselves and everyone they live alongside.

WE

WOMEN'S EXPERIENCE

Leadership Development

The Parker Chamber of Commerce and the Parker Chamber Foundation invest in leadership development for the area's professional community. Realizing that many of the metro area's professional development programs require a trip into the city center, the Chamber and Foundation have created opportunities for local business owners and professionals.

One of the most exciting Chamber programs is **The Women's Experience**, a leadership development course that accepts about 20 ambitious, motivated women each year. The class takes part in 10 months of high quality training on issues ranging from sales and presentation skills, managing teams, handling conflict and change, advanced goal setting, mental health in the workplace, authentic leadership,

advancing in male-dominated industries, and more.

The participants range in ages and experience levels, and each demonstrates a commitment to **"Achieve More! Do More! Earn More!"** Each year's class raises money to support the next year's class while also providing mentorship and support around women's achievement in Parker. Best of all, each woman emerges with a new network of accomplished, powerful women committed to helping each other succeed in their chosen industry. Participants in the Women's Experience have made big moves into higher positions within their companies, new careers, and even public service!

It's all part of the Chamber's mission to be a CATALYST for business success in Parker. To learn more, visit the Chamber's website at www.parkerchamber.com. Applications for the 2026 class will be available in September.
